GENERAL INDEX

Absence from work after injury, causes and costs of, 180
Abstracts of the literature, 35, 95, 154, 199, 254, 306
AGARWAL, A., LLOYD, K. N., and DOVEY, P.: Thermography of spine and sacro-iliac joints in spondylitis, 349
AGATE, J.: Rehabilitation of elderly patients, 403
Aged, rehabilitation of, 403
Aids for disabled, round-table discussion, 190
Amputation of upper limb, functional results following, 137
Amputee, lower-limb, rehabilitation of, review of book on, 194
ANDREW, J.: Neurosurgical patients and medical rehabilitation, 396
ANSELL, BARBARA M.: Acute polyarthritis in childhood, 101
Appliances, new, 18, 86, 243
Arnold–Chiari malformation presenting as syringomyelia, 16
Arthralgia, 257
Arthritis, *see also* Periarthritis
—— and physical medicine, review of book on, 377
——, eye complications, 157
——, footwear for patients with, 236
——, rheumatoid, azathioprine treatment, 163
——, ——, diagnostic potential of a hyaluronidase in, 76
——, ——, physical properties of skin in, 130
——, ——, review of symposium on, 89
——, skin lesions and, 41
Azathioprine treatment of rheumatoid arthritis, 163
—— —— —— severe rheumatic disease, 112

BARNES, C. G., *see* Tegner, W. S., joint-author
Bath ancient and modern as a rheumatism treatment centre, 167
BEDI, S. S.: Arnold–Chiari malformation presenting as syringomyelia, 16
Bell's palsy, injection of prednisolone trimethylacetate into stylomastoid foramen in, 121
Bone, Paget's disease of, radiotherapy, 230
——, —— —— ——, review of book on, 248
BOYLE, A. C.: Rheumatic manifestations of some connective-tissue diseases, 201
British Association of Physical Medicine and Rheumatology, advanced course, 33
—— —— —— —— —— —— ——, 1969 Annual Meeting, 142
—— —— —— —— —— —— ——, 1970 Annual Meeting, 375
—— —— —— —— —— —— ——, 1968 Provincial Meeting, 23
—— —— —— —— —— —— ——, 1969 Provincial Meeting, 244
—— —— —— —— —— —— ——, round-table discussions, 143, 187
BURN, J. M. B., and LANGDON, L.: Lumbar epidural injection for treatment of chronic sciatica, 368
BURRY, H. C., *see* Ingpen, M. L., joint-author

Calliper, knee stabilizing, with automatic release, 243
CAMPBELL, E. D. R., and GREEN, E. A.: Treatment of cerebral palsy in the severely subnormal, 416
CARTER, ISABEL, TORRANCE, W. N., and MERRY, P. H.: Functional results following amputation of upper limb, 137
Cerebral palsy, treatment in severely subnormal patients, 416
CHAMBERLAIN, M. A.: Experiment to assess the diagnostic potential of a hyaluronidase in rheumatoid arthritis, 76
CHAPMAN, A. E., and TROUP, J. G. D.: Prolonged activity of lumbar erectores spinae, 262
Charcot joints, 312
Childhood, acute polyarthritis in, 101
Chondromalacia patellae, 286
CLARKE, M. S., *see* Nichols, P. J. R., joint-author
Cold therapy, 70
COLLINS, A. J., *see* Ring, E. F. J., joint-author
Conduction, nerve, measurements of, round-table discussion, 192
Connective-tissue diseases, rheumatic manifestations of, 201
COOMES, E. N., *see* Swannell, A. J., joint-author
Corticosteroid, effect on skin in rheumatoid arthritis, 130
——, local injection, factors influencing response of lesions of rotator cuff to, 53
COSH, J. A., and KERSLEY, G. D.: Rheumatism treatment centres in Britain—Bath ancient and modern, 167
—— and RING, E. F. J.: Thermography and rheumatology, 342
CRONIN, E.: Skin lesions and arthritis, 41
Cuff, rotator, lesions of, factors influencing response to local steroid injection, 53

DARRACOTT, J., *see* Robinson, A. R., joint-author
Deformities, lower limb, severe, fitting swivel walkers to children with, 106
Disability, physical, and community care, review of book on, 247
Disabled, aids for, round-table discussion, 190
——, —— ——, review of B.M.A. Planning Unit Report, 50
——, employer and, 443
——, motivation of, review of book on, 149
——, power rise chair for, 86
——, rehabilitation kitchen for, 18
——, wheel-chair as key to independence, review of book on, 28
DIXON, A. St.J., *see* Jayson, M. I. V., joint-author
DOUGLAS, G., and THOMPSON, M.: Comparison of phenylbutazone and flufenamic acid in treatment of acute gout, 275
DOVEY, P., *see* Agarwal, A., joint-author

ECKSTEIN, H. B., *see* Richings, J. C., joint-author
EL-SHERBINI, K. B.: Injection of prednisolone trimethylacetate in the stylomastoid foramen in Bell's palsy, 121
Electrotherapy, review of manual of, 195
Epidural, lumbar, injection in chronic sciatica, 368
Erectores spinae, lumbar, prolonged activity of, effect of training, 262

Exercise in water, review of book on, 378
Eye complications of arthritis, 157

FEARNLEY, M. E., and VADASZ, I.: Factors influencing response of lesions of rotator cuff of shoulder to local steroid injection, 53
Flufenamic acid in acute gout, comparison with phenylbutazone, 275
Foot pain, review of book on, 378
Footwear for arthritic patients, 236

GILBERTSON, G.: The employer and the disabled, 443
GILLILAND, J., *see* Hardaker, J., joint-author
GLICK, E. N., and LUCAS, M.: Ice therapy, 70
GOLDING, D. N.: Cervical and occipital pain as presenting symptoms of intracranial tumour, 1
GOODWILL, C. J., BRIDGES, P. K., and GARDNER, D. C.: The causes and costs of absence from work after injury, 180
Gout, acute, comparison of phenylbutazone and flufenamic acid in treatment, 275
——, management of, round-table discussion, 143
GRAHAME, R.: Elasticity of human skin *in vivo*, 130
GREEN, E. A., *see* Campbell, E. D. R., joint-author

HAMILTON, E. A., NICHOLS, P. J. R., and TAIT, G. B. W.: Late onset of respiratory insufficiency after poliomyelitis, 223
Hand, rehabilitation of, review of book on, 148
——, rheumatoid, care of, review of book on, 91
HARDAKER, J., GILLILAND, J., and WRIGHT, V.: Rehabilitation kitchen for the disabled, 18
HARRIS, R., and JONES, H. P.: Polyarteritis nodosa in identical twins, 241
HART, F. D.: Arthralgia, 257
HASLOCK, D. I., and WRIGHT, V.: Footwear for arthritic patients, 236
Head injury, rehabilitation of patients suffering from, 12
HEATHFIELD, K. W. G.: Rehabilitation of patients with neurological disorders, 388
Hemiplegia, neuromuscular re-education of adult with, review of book on, 148
Hip disease, degenerative, 209
Home treatment and posture, review of book on, 249
Hospital, general, management of paraplegia in, round-table discussion, 187
HOWELL, B., *see* Nichols, P. J. R., joint-author
Hyaluronidase, diagnostic potential in rheumatoid arthritis, 76

Ice therapy, 70
Index Medicus, Abridged, review of, 379
Industrial rehabilitation, 438
INGPEN, M. L., and BURRY, H. C.: A lumbo-sacral strain syndrome, 270
Injury, absence from work after, causes and costs of, 180
Intracranial tumour, cervical and occipital pain as presenting symptoms of, 1

JAYSON, M. I. V., SWANNELL, A. J., KIRK, J. A., and DIXON, A. St.J.: Acute joint rupture, 175
JOHNSON, F. L.: Method of measuring quadriceps femoris muscle strength, 80
Joint rupture, acute, 175
JONES, H. P., *see* Harris, R., joint-author

KERSLEY, G. D., *see* Cosh, J. A.; Swannell, A. J., joint-authors
KIRK, J. A., *see* Jayson, M. I. V., joint-author
Knee, rheumatoid, conservative management of, round-table discussion, 188
—— stabilizing calliper with automatic release, 243

LANGDON, L., *see* Burn, J. M. B., joint-author
Leg amputation, rehabilitation after, review of book on, 194
LEVISON, V.: Treatment of Paget's disease of bone by radiotherapy, 230
LLOYD, K. N., *see* Agarwal, A., joint-author
London Hospital Department of Physical Medicine and Rheumatology, 218
LUCAS, M., *see* Glick, E. N., joint-author
Lumbar erectores spinae, prolonged activity of. effect of training, 262
Lumbo-sacral strain syndrome, 270

MCCAY, G., *see* Nichols, P. J. R., joint-author
MACINDOE, KATHARINE: Social problems of rehabilitation, 435
Manipulation for pain of vertebral origin, review of book on, 27
MASON, M., *see* Tegner, W. S., joint-author
MATTINGLY, S.: Industrial rehabilitation, 438
Medicine, orthopaedic, review of book on, 378
——, rehabilitation and, review of book on, 376
Microbiology, dictionary of terms, review of, 29
MILLARD, J. B.: Automatic release knee stabilizing calliper, 243
——: Rehabilitation of patients suffering from a head injury, 12
——: Voluntary organizations, 446
MOLDEN, F. R., *see* Nichols, P. J. R., joint-author
Muscle dysfunction following injury to semilunar cartilage, 281
Myelomeningocele, locomotor and educational achievements of children with, 291

Nerve conduction, measurement of, round-table discussion, 192
Neurological basis of thoracic spinal pain, 356
—— disorders, rehabilitation of patients with, 388
Neuromuscular facilitation, proprioceptive, review of book on, 247
Neurosurgical patients and medical rehabilitation, 396
NICHOLS, P. J. R.: The place of paramedical personnel in clinical research, 7
——, CLARKE, M. S., MCCAY, G., and MOLDEN, F. R.: Swivel walkers, 106
—— and HOWELL, B.: Routine pre- and post-operative physiotherapy, 321
——, *see also* Hamilton, E. A.; O'Connor, B. T., joint-authors
NILSSON, B. E., and WESTLIN, N. E.: Muscle dysfunction following injury to semilunar cartilage, 281

O'CONNOR, B. T., and NICHOLS, P. J. R.: Rehabilitation in orthopaedics, 408
Orthopaedic medicine, review of book on, 378
Orthopaedics, rehabilitation in, 408

Paget's disease of bone, radiotherapy, 230
—— —— —— ——, review of book on, 248

Pain, cervical and occipital, as presenting symptoms of intracranial tumour, 1
—— in foot, review of book on, 378
—— of vertebral origin and its treatment by manipulation, review of book on, 27
——, spinal, thoracic, neurological basis of, 356
Palsy, Bell's, *see* Bell's palsy
——, cerebral, treatment in severely subnormal patients, 416
Paramedical personnel, place in clinical research, 7
Paraplegia, management of, in a general hospital, round-table discussion, 187
Patella, chondromalacia of, 286
PATTINSON, R. E., and WRIGHT, V.: A power rise chair, 86
Periarthritis, humeroscapular, X-ray and ultrasonic therapy compared, 64
Phenylbutazone in acute gout, comparison with flufenamic acid, 275
Physical disability and community care, review of book on, 247
—— Medicine and Rheumatology, British Association of, *see* British Association of Physical Medicine and Rheumatology
—— —— —— ——, London Hospital Department of, 218
—— —— —— —— teaching to medical students, round-table discussion, 190
—— ——, arthritis and, review of book on, 377
—— ——, Fifth International Congress of, report of proceedings, 21
—— ——, rheumatology and (editorial), 309
Physiotherapy, pre- and post-operative, routine, 321
——, review of book on, 28
Poliomyelitis, late onset of respiratory insufficiency after, 223
Polyarteritis nodosa in identical twins, 241
Polyarthritis, acute, in childhood, 101
Postgraduate diary, 30, 92, 151, 196, 250, 303, 381
Posture, home treatment, review of book on, 249
Prednisolone trimethylacetate injection into stylomastoid foramen in Bell's palsy, 121
Proprioceptive neuromuscular facilitation, review of book on, 247

Quadriceps femoris muscle, method to measure strength of, 80
QUIN, C. E.: Humeroscapular periarthritis, effects of X-ray therapy and ultrasonic therapy, 64

Radiotherapy in Paget's disease of bone, 230
Rehabilitation (editorial), 385
—— after amputation of leg, review of book on, 194
—— and medicine, review of book on, 376
—— in orthopaedics, 408
—— —— the Services, 425
——, industrial, 438
—— kitchen for disabled, 18
——, medical, 421
——, ——, neurosurgical patients and, 396
—— of elderly patients, 403
—— —— hand, review of book on, 148
—— —— patients suffering from a head injury, 12
—— —— —— with neurological disorders, 388
Rehabilitation, role of general practitioner in, round-table discussion, 145
——, social problems, 435
——, voluntary organizations, 446
Research, clinical, place of paramedical personnel in, 7
Respiratory insufficiency, late onset after poliomyelitis, 223
Reviews of books, 27, 89, 148, 194, 247, 299, 376
Rheumatic disease, review of textbook of, 89
—— ——, severe, treatment with azathioprine, 112
—— manifestations of some connective-tissue diseases, 201
Rheumatism treatment, Bath ancient and modern as a centre for, 167
Rheumatoid arthritis, *see* Arthritis, rheumatoid
—— hand, care of, review of book on, 91
—— knee, conservative management of, round-table discussion, 188
Rheumatology and physical medicine (editorial), 309
——, Physical Medicine and, British Association of, *see* British Association of Physical Medicine and Rheumatology
——, thermography and, 310, 342
RICHINGS, J. C., and ECKSTEIN, H. B.: Locomotor and educational achievements of children with myelomeningocele, 291
RING, E. F. J., and COLLINS, A. J.: Quantitative thermography, 337
——, *see also* Cosh, J. A., joint-author
ROBINSON, A. R., and DARRACOTT, J.: Chondromalacia patellae, 286
Rupture of a joint, acute, 175

Sacro-iliac joints, thermography of, in spondylitis, 349
Sciatica, chronic, lumbar epidural injection for, 368
Semilunar cartilage, injury to, muscle dysfunction following, 281
Shoulder, *see also* Cuff, rotator
——, frozen, X-ray and ultrasonic therapy compared, 64
Skin, elasticity of, in rheumatoid arthritis, 130
—— lesions and arthritis, 41
SMILEY, W. K.: The eye in arthritis, 157
SOMMERVILLE, J. G.: Medical rehabilitation, 421
Spine, lumbar epidural injection in chronic sciatica, 368
—— manipulation, indications for, round-table discussion, 146
—— ——, review of book on, 89
——, thermography of, in spondylitis, 349
——, thoracic, pain, neurological basis of, 356
STOREY, G. O.: Charcot joints, 312
Strain, lumbo-sacral, syndrome of, 270
Stroke in Israel, review of book on, 150
SWANNELL, A. J., and COOMES, E. N.: Preliminary results of azathioprine therapy in severe rheumatic disease, 112

ZINN, W. M.: Reflections on degenerative hip disease, 209

ABSTRACTS SUBJECT INDEX

Acetylsalicylic acid, *see* Aspirin
Aged, amputation of leg in, early rehabilitation after, 40
——, care of, in residential homes, 256
Amputation of leg in elderly, early rehabilitation after, 40
Antigens, nuclear, detection by quantitative complement fixation, 35
Arteritis, giant-cell, recurrent blanching of tongue due to, 199
Arthritis, *see also* Polyarthritis
——, acute gouty, Hageman factor and, 37
—— and erythema-nodosum-like skin lesions in pancreatic disease, 37
—— as manifestation of Takayasu disease, 156
——, chronic post-rheumatic fever, 36
——, malignant, with necrotizing vasculitis, suppressive therapy in, 97
——, mumps, 255
——, rheumatoid, blood serotonin levels in, 155
——, ——, clinical significance of RA cell, 35
——, ——, comprehensive out-patient care in, 255
——, ——, hand surgery for, interosseous muscle biopsy during, 95
——, ——, juvenile, persisting into adulthood, 97
——, ——, ——, therapeutic potential of synovectomy in, 96
——, ——, rubella after, 96
——, ——, septic arthritis due to *Pasteurella multocida* complicating, 35
——, thumb-base, 38
Arthropathy of idiopathic haemochromatosis, 38
Aspirin injury to gastric mucosa, 35

Bone, Paget's disease of, *see* Paget's disease
Bony skeleton, unusual manifestations in a case of sarcoidosis, 199
Bronchus carcinoma with hypertrophic pulmonary osteoarthropathy, 99
Bursitis, calcareous, bilateral, 98

Calcareous bursitis, bilateral, 98
Cartilage, articular, normal and osteoarthritic, stimulation of protein–chondroitin sulphate synthesis by, 155
——, semilunar, of knee, cysts of, 40
Cauda equina compression due to spondylolisthesis with intact neural arch, 100
Clavicle, congenital pseudoarthrosis of, 199
Colchicine toxicity, 254
Collagen diseases, vascular lesions occurring in, 99
Complement fixation, quantitative detection of nuclear antigens by, 35
Contraceptives, oral, rheumatic symptoms and serological abnormalities induced by, 255
Cortisol, effect on levels of metabolites and enzymes controlling glucose product from pyruvate, 254
Cutaneous pain threshold, observations on, 95
Cysts of semilunar cartilages of knee, 40

Dehydroepiandrosterone, urinary excretion in gout, 36
Diabetes mellitus, osteopathy of, radiological observations, 38
Disability, chronic, in men of middle age, 200
Disabled, effect on productivity in a sheltered workshop situation, 256

Etiocholanolone fever in chronic rheumatic disease, 254

Felty's syndrome, clinical and serological observations, 39

Gamma globulin, intra-articular, response of sensitized rabbits to, 95
Gold sodium thiomalate and thiomalic acid, electron-dense deposits following injection of, 155

Gout, *see also* Pseudogout
—— due to lead, clinical differentiation from primary gout, 97
——, excretion of urinary dehydroepiandrosterone in, 36

Haemochromatosis, idiopathic, arthropathy of, 38
Hageman factor and acute gouty arthritis, 37
Hand surgery for rheumatoid arthritis, interosseous muscle biopsy during, 95
Hip, osteoarthritis of, age and weight in, 98
Hypercholesterolaemia, familial, migratory polyarthritis in, 39

Immunoglobulin IgA deficiency in serum and respiratory secretions, 254
Inflammation, action of 6-mercaptopurine against, 98
Interosseous nerve, anterior, spontaneous paralysis of, 154

Jacoud's arthritis, 36
Joint stiffness, characterization and significance, 255

Knee joints, cysts of semilunar cartilages of, 40
—— ——, neuropathic, angiographic and lymph-angiographic examination of, 99
—— —— with degenerative changes, elimination of $Na^{131}I$ from, 98

Lead gout, clinical differentiation from primary gout, 97
Lipofibrosarcoma, retroperitoneal, presenting as meralgia paraesthetica, 40

Meralgia paraesthetica a clue to retroperitoneal malignant tumour, 40
6-Mercaptopurine, anti-inflammatory action, 98
Mumps arthritis, 255
Myelograms, abnormal, in asymptomatic patients, 154
Myxoedema, neuropathy in, 154

Nerve repair, advances in, 200
Neuropathy in myxoedema, 154
—— of knee joints, angiographic and lymph-angiographic examination in, 99

Obesity, osteoarthritis of hip and, 98
Osteoarthritis of hip, age and weight in, 98
—— —— trapezio-scaphoid joint, 99
Osteoarthropathy, hypertrophic pulmonary, bronchial carcinoma with, 99
Osteomalacia, diagnosis of, 256
Osteopathy, diabetic, radiological observations, 38
Osteoporosis, diagnosis of, 256
Osteotomy, vertebral, to correct fixed flexion deformity of spine, 39

Paget's disease, hereditary aspects of, 254
—— —— with spinal cord compression, 100
Pain, cutaneous, threshold, observations on, 95
——, lower abdominal, sacro-iliac disease and, 40
Pancreas disease, arthritis and erythema-nodosum-like skin lesions in, 37
Paralysis of anterior interosseous nerve, spontaneous, 154
—— —— sciatic nerve, unusual case, 154
Pasteurella multocida, septic arthritis due to, complicating rheumatoid arthritis, 35
Penicillamine, symposium on, 95
Periodic fever in chronic rheumatic disease, 254
Pleuritis, rheumatoid, 36
——, ——, with effusion, 36
Polyarthritis, migratory, in familial hypercholesterolaemia, 39
Polyneuropathy in childhood, 39
Pregnancy, spinal cord tumour during, 100
Protein–chondroitin sulphate synthesis by normal and osteoarthritic articular cartilage, stimulation of, 155
Pseudoarthrosis, congenital, of clavicle, 199
Pseudogout, synovitis of, electron-microscopic observations, 37

Rehabilitation, early, of elderly patients after amputation of leg, 40
Respiratory-tract infections, deficiency of IgA in serum and respiratory secretions and, 254
Rheumatic diseases, chronic, periodic fever and etiocholanolone fever in, 254
—— ——, thermography in, 96
—— symptoms induced by oral contraceptives, 255
Rheumatoid arthritis, *see* Arthritis, rheumatoid
—— cell, clinical significance, 35
—— pleuritis, *see* Pleuritis
Rib pain—a neglected diagnosis, 100
Ring prosthesis, 199
Rotator cuff of shoulder, rupture of, surgical treatment, 199
Rubella after rheumatoid arthritis, 96

Sacro-iliac disease, relationship to lower abdominal pain, 40
Sarcoidosis, unusual skeletal manifestations, 199
Sciatic nerve paralysis, unusual case, 154
Scleroderma, clinical synopsis of, 155
Serotonin levels in blood in rheumatoid arthritis, 155
Shoulder, rotator cuff of, surgical treatment, 199
Spinal cord compression producing paraparesis, 100
—— —— tumour during pregnancy, 100
Spine, fixed flexion deformity of, vertebral osteotomy to correct, 39
Spondylolisthesis with intact neural arch, cauda equina compression due to, 100
Spondylosis, cervical, fixed skull traction in, 37
Stomach mucosa, aspirin injury to, 35
Suppressive therapy in malignant arthritis with necrotizing vasculitis, 97
Synovectomy, therapeutic potential in juvenile rheumatoid arthritis, 96
Synovitis of pseudogout, electron-microscopic observations, 37
Synovium, primary vascular lesions of, 99

Takayasu disease, rheumatic manifestations of, 156
Thermography in rheumatic diseases, 96
Thumb-base arthritis, 38
Tongue, recurrent blanching of, due to giant-cell arteritis, 199
Traction of skull, fixed, in cervical spondylosis, 37
Trapezio-scaphoid joint, osteoarthritis of, 99

Vascular lesions occurring in collagen diseases, 99
—— ——, primary, of synovium, 99
